

Dear MIIA Member,

Below is a link to a Fact Sheet regarding the updated law for employee safety in the public sector. This fact sheet is also posted on The Mass Department of Labor Standards(DLS) agency homepage (mass.gov/dols).

DLS will be posting a calendar soon for on-site trainings and webinars regarding the new law. DLS is in the process of developing a List of Required Trainings, and template safety programs (aerial lift; trench; hazcom; BBP; etc)

MIIA will keep you posted on resources and training opportunities as we move forward. Please feel free to participate in the many technical trainings MIIA is offering in the next few months. These trainings are offered throughout the state trainings include: OSHA10, Work Zone Safety, Chain saw and Confined Space Trainings etc. [MIIA Training Calendar](#)

If you have any questions please do not hesitate to contact me or your MIIA Risk Manager.

[DLS FACT SHEET](#)

Thank You

Lin Chabra
