MIIA has been working with DLS to provide members, covered under Massachusetts General Law Chapter 152,* with access to their loss information in the form of an OSHA 300 log beginning with January 2019 data.

This webinar will provide a basic understanding of the Workers' Compensation reporting process including the OSHA 300 log requirements to prepare for the utilization of these reports

Presenters

Karen Gregoire, MIIA Member Services, Administration & Technology Manager
MIIA Member Services | Workers' Compensation Department

Karen Gregoire is MIIA's Workers' Compensation Administration Technology Manager. Karen has twenty-two years of workers' compensation claims experience, the last twenty of which have been with MIIA Member Services. She was directly involved with the development of MIIA's claims handling software and continues to work closely with MIIA and the software vendor. Prior to working with MIIA, Karen was a Senior Workers' Compensation claims adjuster with EBI Companies.

Lin Chabra, MIIA Member Services Manager
