BUCKET TRUCK AWARENESS TRAINING ZOOM FORMAT

**Thursday, March 18, 2021
10:00 a.m.- 3:00 p.m.**

Participants must register individually for this training, arrive on time and be on camera to receive a certificate. This class is limited to 3 participants per municipality

Presented by Cranes 101

This class is an awareness training and is focused on operations and safety training for operators and ground workers.

Material covered in this course:

- Bucket truck setup
- The mechanics of the bucket truck
- Daily inspections
- Working near electricity
- ANSI and OSHA standards
- Proper harness/belt configurations
- Emergency Procedures
- Proper care and maintenance
- Suspension trauma

Attendees will receive a training certificate from Cranes 101 after passing an exam.

Attendance at this seminar qualifies the MIIA member for 1% credit under the FY21 MIIA Rewards Workers' Compensation Category.

Presenter

Keith Norton

Keith teaches basic and advanced arboriculture courses, safety courses including those designed to meet OSHA requirements, electrical hazard, utility line clearance courses, crane use in arboriculture and custom arborist training classes. He is an experienced instructor, small business owner, and manager. He has skills in complete independent tree company operations, commercial tree company operations, and service management.

Mr. Norton has trained from coast to coast in the United States and the Virgin Islands. Mr. Norton has testified in tree related court cases as an expert witness. Mr. Norton is a voting member of the ANSI Z 133 committee.
