

RISK MANAGEMENT TRAINING

Making the Climb with Ladders – Do's and Don'ts

Thursday, July 18, 2024

9:00 a.m.- 11:00 a.m.

[Register here](#)

All participants must remain on camera individually during the training and must be in attendance no later than 30 minutes after the start of the training to receive credit. If you need to attend as a group, please notify Mary Ann Marino - mmarino@mma.org in advance. All group participants must be pre-registered and visible on camera to receive credit.

According to the CDC, each year in the U.S., more than 500,000 people are treated and about 300 people die from ladder-related injuries. The estimated annual cost of ladder injuries in the U.S. is \$24 billion, including work loss, medical, legal, liability, and pain and suffering expenses.

TOPICS OF DISCUSSION

- Background and Statistics
- Regulations and Standards
- Types of Ladders
- Duty Ratings
- Selection
- Inspection
- Use
- Storage
- Maintenance
- Disposal
- Questions and Answers

Can you identify any ladder violations or hazards in this picture?

Participation in this training qualifies the MIIA member for .5% MIIA Rewards credit under the Workers Compensation category.
