- Video Review

Presenter

Catherine Schoenenberger is President and Owner of Stay Safe Traffic Products, Inc. (established 2002). She has taught Work Zone Safety for the LTAP (Local Technical Assistance Programs) throughout New England since 1998. She has served the municipal highway and public work departments as a conscientious supplier, and has relied heavily on the Manual on Uniform Traffic Control Devices (MUTCD) for much of her dispensed advice and resulting product sales.

Catherine successfully completed the American Traffic Safety Services Association's (ATSSA) requirements to train and certify flaggers throughout the country. The courses included Traffic Control Technician, Traffic Control Supervisor and Flagger Instructor Training. She is also certified in First Aid, CPR and AED. She is also among only a handful of approved certified instructors for Commonwealth of Massachusetts' flagger

certification program and, absolutely, the sole female instructor.
